Session 4: March 7-April 22

Session 5: May 2-June 10

Parents must register students in the Family App – Parents must register students for programming in the Family App. The reason is, there is an attestation that that must agree to by the parent. When students are manually enrolled this liability piece is not met.

Trouble logging into the Family App If parents are having trouble accessing the Family App check for:

- Has the parent registered for the Family App? If not, they will need to register.
- Does the email they are using to log into the Family App match the email in Eschool+? If not, update the email in Eschool+. The parent will not be able to log into the Family App until the next day. This has to do with loading information from Eschool+ into the Family App.
- If this is not the problem, please create a **HELP** ticket in Solar Winds for the parent.
 - ✓ Include student name and number, parent name, parent email address, parent phone number.
 - ✓ The category – *Applications*
 - ✓ The subcategory – *Family App*

Things to know about the Family App

- Parents will not see programs that their student is not eligible for.
- If nothing is in the Family App to register
 - ✓ The registration window is not open.
 - ✓ There are no programs their student is eligible for.
 - ✓ The program has reached maximum enrollment

No Internet Access Please allow the parent to use the Parent Kiosk to register their student. It is important that the parent register on the app for safety of the student.

Pay What You Choose – partnerships are still offering pay what you choose through the rest of the 2021-22 school year. This ensures all students wanting to participate can.

- Pay what you choose is flexible pricing that makes activities affordable for every student. When parents register, they decide what they will pay between nothing and \$150 for activities.
- Every dollar paid goes back into the Beyond the Bell Program.
- Parents will find an invoice in their School Bucks account if they have selected to pay for an activity.

All-School Zoo Field Trip:

**Permission slips were sent home with your child on Monday, February 7th. Please return completed permission slips no later than March 4th. See the flyer below, which is also attached to the permission slip, for more details.

All-School Fieldtrip to the Point Defiance Zoo!

Who: Preschoolers through 5th Grade & All Fawcett Staff

What: All-School FREE Fieldtrip

When: Friday, March 25, 2002 during school hours – please ensure your child is here on time!

Where: Point Defiance Zoo & Aquarium in Tacoma

Why: To enjoy an all-school culminating activity after our informational writing unit focusing on animals.

Logistics:

- ★ **PERMISSION SLIPS:** All students need to bring back their completed fieldtrip permission slip prior to March 4th. Permission slips will go home with students on Feb 7.
- ★ **BREAKFAST:** All students will continue to have the breakfast option in the morning and will eat breakfast prior to our departure.
- ★ **LUNCH:** All students will get a free bagged lunch consisting of an allergy-friendly WOW sandwich, fruit, veggies & milk. If you would like to send your child with a lunch from home, that is fine too, but he/she will be responsible for carrying it. If so, please pack in a disposable bag, so it can be easily disposed of after lunch. Please mark on the permission slip which lunch your child will choose.
- ★ **CHAPERONES:** Each classroom will need 3 parent/guardian chaperones. Each chaperone will need to drive and meet the class at the zoo main door promptly at 10 AM, have volunteer clearance through the district consisting of COVID-19 vaccination proof prior to March 18th (this needs to be done annually), and are unable to bring additional children. If you are interested in chaperoning within your child's class, please let your child's teacher know as soon as possible. Family members/adults who are not cleared volunteers are not permitted to attend the field trip.
- ★ Students will be assigned a chaperone, whether it is a staff member, their teacher, or a cleared parent/guardian chaperone for the duration of the field trip. These groups will stick together at the zoo and follow all COVID-19 protocols (i.e. mask, physical distancing, etc.).
- ★ **TRANSPORTATION:** All students and staff will ride a bus to/from the zoo. Students will be in an assigned seat and all COVID-19 cleaning protocols will be in place. If you are uncomfortable sending your child on the bus, you can drive your child to the zoo and walk him/her to the front entrance to meet up with your child's teacher at 10:00 AM. If you are opting to drive your student separately, please communicate this to your child's teacher ahead of time. Chaperones will need to drive to the zoo in their own vehicle.
- ★ **ATTENDANCE:** The building will be closed this day, as this is a school-wide fieldtrip. If you do not wish for your child to attend the field trip, please let your child's teacher know, and their absence will be excused for the day.

If you have further questions, please feel free to reach out to your child's teacher or call the main office at (253) 571-4700.

Schedule Change to Preschool Conference Week:

Our Spring Conference Week, previously scheduled for March 7-11, 2022 has been rescheduled to align with K-5 conferences. Preschool conference week will now be the week of March 14-18. Students will attend school on their regular schedule during March 7-11 and will not attend school March 14-18. We apologize for this change in schedule; however, we are pleased to be able to maximize learning time by offering a more aligned conference week with more consistent scheduling and transportation for our bus riders, and more shared time off for families.

Students Now Taking Climate Survey:

Students in grades K-12 can now take the school district's climate survey during the school day. Answers to the survey help us create better learning environments for students. They can access the student survey via their district email account.

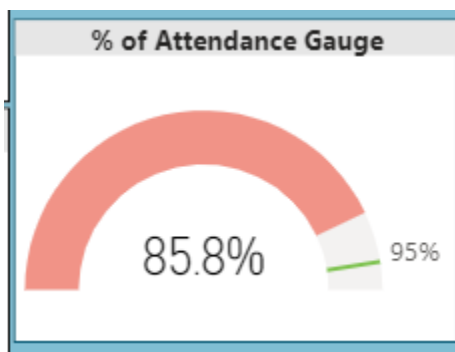

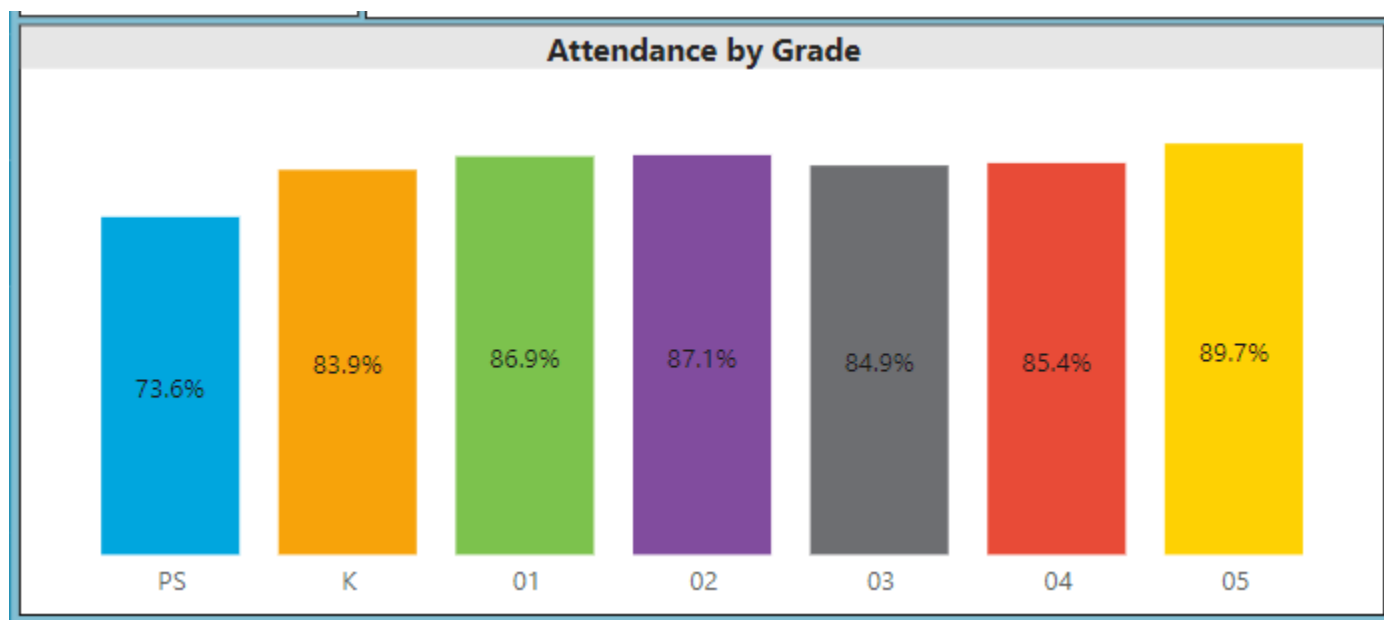

Help TPS Support Student Success:

How can we best support your student's academic success? TPS is working to strengthen partnerships between schools and families in order to help children perform better in school.

Please consider participating in the short survey below. Your interests will help guide the district's family engagement activities.

Vaccination Survey (*NEW)

Data show that children 5-11 years old have the lowest vaccination rates of all age groups that are eligible to receive the COVID-19 vaccine.

Tacoma Public Schools would like to know whether parents and guardians are interested in having their child vaccinated at school, during the school day to more easily access to the vaccine.

Please complete the survey to indicate your interest.

Nurses Can Answer Your COVID-19 Questions, Monday-Friday:

Starting Monday, January 31st, TPS families and staff can get answers to questions related to COVID-19 by calling nurses from the Tacoma-Pierce County Health Department.

Nurses will be able to answer questions about COVID guidance for schools and TPCHD resources.

The call center line is 253-649-1240. It's open from 6:30 AM to 6:30 PM, Monday through Friday, through the end of the school year.

If your child tests positive for COVID-19, please report it to us here at school.

Vaccination Opportunities:

Tacoma Public Schools invites our students (5+), their families, and school staff and their families, to get a free COVID-19 vaccine or booster shot at upcoming clinics at a TPS site. Boosters are for those 12 and older.

No appointment is required. [TPS Vaccine Event Dates & Times](#)

You can also find vaccination opportunities here or contact your primary care provider:

<https://www.tpchd.org/healthy-people/diseases/covid-19/covid-19-vaccine-information>

If a student has been COVID-19 vaccinated, it would be helpful to please send a photo of the vaccine card to Ms. Kelly (kpenswi@tacoma.k12.wa.us) and/or Ms. Melinda (mharo@tacoma.k12.wa.us).

Changes to K-12 Isolation & Quarantine Guidance Related to COVID-19 (UPDATED*):

The state Department of Health and the Tacoma-Pierce County Health Department recently recommended changes to COVID-19 guidelines, including reducing the number of isolation and quarantine days.

Changes in isolation

Students who test positive for COVID-19 must isolate at home for at least five full days, regardless of their vaccination status.

They can return when the following criteria are met:

- 🌀 5 full days since symptom onset, or the positive test sample was collected; and
- 🌀 No symptoms are present, or symptoms are improving; and
- 🌀 No fever without the use of fever-reducing medications within 24 hours of returning.

Changes in quarantine

Students who are close contacts may or may not have to quarantine. Close contacts don't have to quarantine if:

- They are fully vaccinated and do not have symptoms. They are still encouraged to get tested 5-7 days after exposure. (For students 18 and older, full vaccination includes a booster dose at least two weeks prior to exposure.)
- Or they tested positive for COVID-19 in the last 90 days and do not have symptoms.

Close contacts can shorten quarantine if they are not vaccinated but receive a negative COVID-19 test no sooner than five days after exposure.

Close contacts must complete the full, 10-day quarantine if they have not received the vaccine and don't have a negative COVID-19 test.

Close Contacts living in same household as an individual who tested positive:

- If the student is fully vaccinated and does not have symptoms or they have tested positive for COVID-19 in the last 90 days and do not have symptoms, they do not have to quarantine.
- If not, and if the positive individual is able to fully isolate from the student (e.g. separate bathroom, no shared spaces, no interactions), they must quarantine for at least 5 full days and can return to school with a negative COVID-19 test on day 6. They may test no sooner than day 5. If they choose not to test, they may return to school on day 11 so long as they have not developed symptoms.
- If not, and the positive individual is NOT able to fully isolate from the student, they must quarantine for 10 full days and may return to school with a negative COVID-19 test on day 11. They may test no sooner than day 10. If they choose not to test, they must quarantine for 15 full days and may return day 16 so long as they have not developed symptoms.
- If another household member tests positive sometime in this timeline, the timeline resets to the new positive COVID-19 case.

Children in childcare

Please note, students in childcare must quarantine 14 days after exposure, according to guidance from the Tacoma-Pierce County Health Department.

*Preschool Quarantine Shortened

Effective Feb. 10, preschool students who test positive for COVID-19 are required to isolate for 10 full days, returning to learning day 11. Preschool students who are close contacts of someone who tested positive for COVID-19 are required to quarantine for 10 full days, returning on day 11. A negative COVID-19 test is not required to return on day 11.

COVID-19 Tests:

All TPS students received two free COVID-19 tests on Tuesday, January 25th. These voluntary tests are intended to support the health and safety of our community by providing results at home, as soon as symptoms are detected.

A positive result from the iHealth tests can be used to calculate a student's isolation period and determine when they can return to school. Students who test positive for COVID-19 must isolate at home for at least five full days, regardless of their vaccination status.

Effective on Monday, February 7th, schools will be able to accept at-home, rapid antigen negative tests results to shorten quarantine for K-12 students and all staff, as Tacoma-Pierce County Health Department (TPCHD) recently updated their guidance. At-home, rapid antigen tests include, but are not limited to, the iHealth tests given to students and staff. Proof includes a photograph of the negative test result with the following detail in the photo:

- First and last name of the individual tested
- First and last name of the individual who administered the test, if known.
- The test sample collection date

Students & Family Members Can Get Free COVID-19 Tests at TPS Site:

You can drop into this TPS testing clinic (run by Premier Medical Group) any day school is open. You do not need an appointment. Test results are available online within 15-20 minutes. This is a rapid antigen test.

Where: Madison Early Learning Center, 3101 South 43rd Street, Tacoma, WA 98409

When: 1-5 PM on school days

Who: TPS students & their immediate family members

From our school and the entire school district, thank you voters, for your support in the Feb. 8 election. Both propositions 1 and 2 are passing with more than a 66% “yes” vote, and we owe it to you.

- Prop. 1 provides 15 percent of the budget and day-to-day operations schools for every neighborhood school.
- Prop. 2 maintains expanded student access to technology for at-home and in-school learning.

Student Learning During Quarantine and/or Isolation:

Students who cannot attend school because they have COVID-19 or are required to quarantine will learn from home using lessons and support materials provided by their teachers.

TPS has developed learning plans for various remote-learning scenarios - including small groups or entire classes - for students missing in-person school. Contact your child’s teacher, if this is the case.

Fawcett Building Updates

Check out the latest and greatest updates regarding our temporary home at McKinley, how Fawcett's current building is being utilized by the Fire Department, and to check out preliminary designs for our new building! [Planning and Construction - Tacoma Public Schools \(tacomaschools.org\)](http://tacomaschools.org)

Clothing & Inclement Weather:

Please do your best to send your child to school each day with clothing based on the projected weather, as we start seeing our weather change. Also, please write your child's name on the clothing so we can ensure it stays with the appropriate student. We do our best to get students outside for recess, and do not have a covered area here at McKinley, so thank you in advance for planning appropriately. Also, please try your best to have your child wear appropriate shoes for PE and recess.

Blue Positive Office Referrals:

Each week all Fawcett staff members recognize two students with a blue positive office referral. Students can be recognized for exemplifying one, or more, of our Falcon Foundations for Success of: being respectful, being responsible, being safe, and/or being a learner. The staff member will give the blue positive office referral to the student who will keep it at school for the week. During our Friday afternoon announcements (see above), all students who earned a blue positive office referral will be invited to the library where students will get their picture taken to be displayed on our designated bulletin board, get acknowledgement from Ms. Hathaway and/or Mrs. Perkins, earn a \$5 falcon buck, and a token. Each student will then get to take their blue positive office referral home.

Falcon Foundations for Success:

Each week, each classroom teacher will choose two students from their class who exemplified the falcon focus of the week. Each Friday at 3:00 PM, the weekly student falcons will be announced during our Friday afternoon announcements. Each student will receive a certificate from their teacher and will help Ms. Hathaway during the following Monday morning announcements with the Pledge of Allegiance and Falcon Commitment. Each student will also receive a \$5 falcon buck.

February: BE RESPECTFUL

- 14: I actively participate in partner and/or group work.
- 22: Teacher's Choice (on being respectful)

Breakfast & Lunch Menus:

Daily menus for breakfast and lunch are now available through our school website. Go to either our school website or www.tacomaschools.org and select the “Meals” button. From there, you can select our school on the menu page and find the items we’re serving. More food options are beginning to come back. While there are still some supply chain issues, we are starting to see more fresh fruits and vegetables in the cafeteria, along with more freshly cooked food and less prepackaged food served. Menus are still subject to change.

Bus Behavior & Bus COVID Requirements:

If your child rides the school bus, please remind him/her to wear a mask and sit in his/her assigned seat on the bus. Both of those actions can help limit COVID-19 exposure on the bus. When students follow these rules, they also reduce the chance of missing school. When someone diagnosed with the virus rides a school bus, staff must investigate whether anyone near them is considered a close contact.

If clear bus video footage is not available, as there are cameras on all buses, and the assigned seating chart has not been followed with fidelity, the Tacoma-Pierce County Health Department considers everyone on the bus a close contact and requires them to quarantine.

Our goal with these bus rules is to keep students and drivers safe and reduce the number of days students miss school. The rules are enforced similar to other bus behavior requirements.

Hiring Efforts:

The school district continues to offer \$250 to \$5,000 hiring bonuses to fill key positions, like nurses, LPNs, bus drivers, paraeducators and bus monitors.

We are also looking for emergency substitute teachers and have changed the requirements so more people are temporarily eligible. Substitute pay has also increased to \$200 per day.

Find out more about job openings and hiring bonuses here: [Careers - Tacoma Public Schools \(tacomaschools.org\)](http://www.tacomaschools.org/careers)

Free Home Internet:

If you are interested in free home internet, a new resource is available. In partnership with Comcast, the Tacoma Urban League is sponsoring free, high-speed internet for families who qualify. For more information, parents/guardians or students can reach out to the Tacoma Urban League directly at (253) 383-2007.

End-Of-Day Transportation:

If your child is new to riding the bus or your family is new to Fawcett, please email Ms. Kelly your child’s name and address and she will get the bus set-up. Times and locations will be available for you to view the end of August. Her email is: kpenswi@tacoma.k12.wa.us.

****It is vital, if your transportation changes, please call the main office to inform the school. With this information, Ms. Kelly or Ms. Lori will communicate this important information to your child’s teacher, so he/she gets on the bus or picked up accordingly.*

Drop-Off/Pick-Up & Bus Zone:

It is important, for the safety of all, and to be cognizant to the McKinley neighbors, to follow these important drop-off / pick-up expectations:

- There will be no supervision in the morning prior to 8:50 AM on M/T/Th/F. On Wednesdays, no supervision prior to 9:50 AM.
- Drop-off and pick-up will occur on E 37th Street **to the north of the school**. Please follow the cones, signs, and staff direction, as there is no parking on E. 37th Street (directly north of the school) or on the curb closest to the school on E. McKinley Ave., as that is where our busses will pick-up/drop-off.
- E. McKinley Ave. (on the school side) will be for busses **only**. Please do not drop-off, pick-up, or park here.
- The only crosswalk will be on the corner of E. 37th Street & E. McKinley Ave. Please adhere to direction of the crossing guard at this location.
- School is out each day at 3:30 PM.
- We have received multiple calls from the neighboring McKinley community requesting that families do NOT park on the **sidewalk on G Street**. Thank you for your assistance with this!

Student drop off, pick up directions

- Drop off and pick up students on E. 37th St. **(Blue X)**
- Don't park on E. 37th St. Please follow the cones and signage placed on E. 37th St. during drop off and pick up times.
- Avoid dropping off or picking up your student in the front of the building on E. McKinley Ave. This area is reserved for buses only.

TPS Land Acknowledgement

Tacoma Public Schools acknowledges that we are on the traditional ancestral and historical lands of the Puyallup Tribe of Indians.

We honor with gratitude the land itself and the Puyallup Tribe. This acknowledgement serves as a first step in honoring our nearest tribal neighbors and partners who have inhabited this region since time immemorial, and whom we give thanks for allowing us passage to their lands. We shall intentionally create inclusive and respectful partnerships that honor Indigenous cultures, histories, identities, and sociopolitical realities.

Fawcett Elementary Clubs, Activities, Sports, and Field Trips at Your School

Tacoma Public Schools and community partners have come together to offer Beyond the Bell. Beyond the Bell lets you choose from more activities at your school than ever before. Activities are offered before and after school as well as during days when school is not in session.

Everything is all in one place. Go to your school's website or the TPS Family App and look for Beyond the Bell. You will find descriptions and schedules offered at your school.

"Pay What You Choose"

"Pay What You Choose" is flexible pricing that makes activities affordable for every student. When you register, you decide what you will pay between nothing at all and \$150 for activities.

Every dollar you do pay goes back into the Beyond the Bell program, making activities affordable and accessible for everyone.

When you register for Beyond the Bell activities on the TPS Family App at <https://family.tpsapps.org>, you will be asked what you would like to pay for activities. This special launch pricing is for activities through the end of the 2021-2022 school year.

We look forward to seeing your student engaged in high-quality Beyond the Bell experiences at their school.
